CSJ Global Solutions LLC supports government agencies and commercial organizations with procurement, logistics, operational support, and consulting solutions. We source commercial products and coordinate support services around solicitation and project requirements, with responsive communication, organized documentation, and owner-led accountability.

CORE COMPETENCIES

- Government contracting and procurement support
- Commercial product, equipment, and supply sourcing
- Vendor sourcing and coordination
- Logistics and supply chain coordination
- Administrative and operational management
- Project management and contract support
- Inventory, fulfillment, and documentation support
- Business consulting and process improvement
- Athletic equipment, team uniform, and apparel procurement
- Athletic and educational program support

KEY DIFFERENTIATORS

- SBA-certified SDVOSB and VOSB
- U.S. Army logistics, transportation, supply, and leadership experience
- Manufacturing operations and vendor coordination experience
- Agile, owner-led execution and direct accountability
- Supplier relationships supporting products, equipment, uniforms, and apparel
- Responsive communication and documentation discipline

OWNER EXPERIENCE

CSJ draws on the owner's background in U.S. Army transportation and supply operations, manufacturing operations and logistics, vendor coordination, educational and athletic program support, equipment sourcing, and administrative management. This is owner experience, not a representation of CSJ contract awards.

Supplier relationships are sourcing capabilities and do not imply affiliated ownership or formal partnerships.
